

The Art of Storytelling Inc.

Company Profile

www.theartofstorytelling.ca

Our goal

...is to be the top provider of corporate video and photography

* Safety check on Immortelle platform - on assignment to tell the ongoing story of natural gas modernisation globally for BP

Why work with us?

We craft stories designed to hold the attention of audiences and transform relationships

We strive for maximum impact and maximum reach

We have 15+ years of experience and knowledge

We have delivered thousands of hours of broadcast quality content for discerning international brands and businesses

We strive to exceed expectations and meet our clients' needs in a personal and creative way

We add value to our clients' work by giving them tools to communicate effectively and professionally with their audiences

We provide digital tools that enable our clients to collaborate and contribute directly to their brand's narrative

We evolve to keep up with technology and our clients' needs

* The story of chocolate making has many chapters

*

We are committed to growing the pool of local talent. We also work with international experts in photography, videography, animation, graphics, copywriting and editing

* Here's how a camera becomes a powerful tool for passionate stakeholders to reach their audiences

There for you

Support ~ We nurture and guide clients through the content creation process for maximum value and positive results

Professionalism ~ With years of proven experience, we use high quality equipment for an immersive, cinematic feel

Connectivity ~ We connect your brand with award winning digital storytellers

Impact ~ We work hard to make sure your story is produced with an engaging, modern, confident treatment for optimum impact

Security ~ We secure our content in three places in two countries to make sure that it's always available

* Working with stakeholders to deliver clear communications in any environment

*

your work is amazing. The video was a huge hit. We love it. Here's to our next venture together. Just.

Thank you for doing such a wonderful job with the video to support the Hills of Headwaters
Cory.

Amazing to see that people really care.

Thank you just doesn't seem to cover it! You all rock! Til next time!
Carle

To the Art of Storytelling Team!

The video was so awesome! Thanks for pulling it together!
Heidi

You guys rock! Thanks for creating an unbelievable video that touched so many people and will continue to do so for a long time. It has and will make a difference. THANK YOU!
Kim

We are very appreciative of your efforts!!
Dana

Thank you for your professionalism & humor to put us at ease during the video production!
Jennifer Moore

Thank you so much for all your commitment & dedication to this work!
Klaus Barber

October 2015 Hills of Headwaters Collaborative
